

Nobles County Small Business Assistance Grant Program Application - For non-profit Entities

Nobles County and City of Round Lake Funds

APPLICATION PROCEDURES

The Round Lake Small Business Assistance Grant Program provides grant funds to small (50 FTEs or less) private, for-profit businesses whose operations have been disrupted by the COVID-19 pandemic. This program is available for businesses within Nobles County whose nearest municipality is the City of Round Lake. **Please note: for-profit farming operations are not eligible to apply for a grant at this time.**

Grant funds shall be used for working capital to support payroll expenses, rent, mortgage payments, utility bills, and other similar expenses that occur or have occurred since March 1, 2020, in the regular course of business. Capital expenses are not eligible for this program. All funds must be used exclusively for operations of the business located at the physical address listed on the application.

To be eligible for Round Lake Small Business Assistance Grant Program funds, the business must submit a completed application to the City of Round Lake, PO Box 72, Round Lake, MN 56167 (or electronically to cityhall@roundlk.net) no later than 4pm CST on September 30, 2020. The application must include:

- A completed, signed official application form
- An affidavit affirming that the business is eligible and that the funds will be used for eligible expenses signed by the owner/owners of more than 50% of the business. Extra affidavit forms are available upon request for businesses with multiple owners
- A copy of the Secretary of State filing for the business

AWARD PROCESS

After 4:00pm CST on September 30, 2020, applications will no longer be accepted. Those applicants that are determined to be ineligible will receive a letter informing them of their status. All eligible businesses will be awarded funds according to the following criteria:

- Tier 1: Businesses that have 0 - 5 FTEs will be eligible for grants of up to \$5,000
- Tier 2: Businesses that have 6 - 24 FTEs will be eligible for grants of up to \$7,500
- Tier 3: Businesses that have 25 - 50 FTEs will be eligible for grants of up to \$10,000

Once funding amounts have been determined, the program administrator will disburse funds to the grant recipients at the mailing address listed on the application form. Program audits will subsequently be performed at random to verify eligibility of businesses who have been awarded funds. Those businesses that are subsequently determined to be ineligible for the Round Lake Small Business Assistance Grant Program will be required to return to the City of Round Lake the entire amount of the grant funds previously provided to the business owner if it is determined that the business was not, in fact, "eligible" or, if any false information was either provided or, if pertinent information was omitted from the application for the grant.
