**Safety for our kids:** We have been getting a lot of complaints about people speeding in town lately. The intersection of Harrison St and 4<sup>th</sup> Avenue is especially dangerous. The stop signs are there to serve a purpose and there is no logical reason to be going over a responsible speed in town. Please be mindful of the possibility that there are children on the road, either walking or riding their bikes. We have even had a near accident with a lawnmower recently. Safety is the most important thing to remember. Please take a few extra minutes to **SLOW DOWN!!!!** I cannot stress this enough, be careful and **SLOW DOWN!!!!**
