

Meals on Wheels: There has been some interest shown in having Meals on Wheels delivered to Round Lake. If you are interested, please call Brenda Groenwald at 507-376-9718 for more information. Please share this info with your neighbors or anyone you think may be interested.

SLOW DOWN!!! We've had a lot of vehicles driving much too fast through town lately. The City has installed two new stop signs on the corner of 4th Ave and Harrison St, in the hopes of saving a child from an accident. **PLEASE** pay attention to the signs and slow down, nothing is as important as our young people, allow yourself extra time.

Recycle Shed & City Hall dumpsters: There is a **red and white shed** behind the former bank building, this is for Round Lake and Nobles Co townships residents, to put larger items for recycling pickup. If you have filled your container and just have **extra recyclables**, they can also go in the green containers at City Hall. The dumpsters by City Hall are also available for **the residents** when they have filled their own containers. (Keep in mind, it is illegal to use another person's dumpster without their permission.) The **dumpster by the bank** is a **privately rented** dumpster, please don't use it unless you are leasing the bank. Thank you!

Colder Weather: The temperatures are going down, now is a good time to make sure your furnace is running properly. Stay warm and have a safe heating season, get your furnace checked and replace those filters.

City of Round Lake Website: Visit our City website at **roundlk.net** and see important City news and announcements. City Council Meeting minutes are posted once they are approved at the monthly council meeting. Monthly newsletters are also posted near the beginning of each month. City of Round Lake is on Facebook also. We try to get alerts and emergency announcements on there as soon as they come up.

Calling all parents: Do you have children ages 0-4 years old? If you answered yes, please call the Round Lake Brewster School to make sure your child is on the census. We use the census to contact parents to let them know of educational opportunities through the school like ECFE, Preschool and Early Childhood Screening. **You may call the school at 507-842-5951 or email dawn.haberman@rlb.mntm.org (Please include Child's name, Birthdate, Parents names, address and Phone number.)** Thanks, we look forward to hearing from you! Round Lake-Brewster School, Dawn Haberman, RL-B PreK teacher.

The RSVP Bone Builders Program is an effective combination for improving balance, weight training, & stretching exercises. This healthy combination helps protect you against fractures by increasing BOTH muscular strength and bone density. Benefits of the program include improved balance and poise, increased energy, increased mobility, and decreased blood pressure. Trained volunteers lead bi-weekly classes at the Round Lake Community Center. Classes include standing and sitting exercises. Participants should wear loose fitting slacks and shirts, and tennies. **BONE BUILDERS Exercise Classes are FREE!!** TUESDAYS and THURSDAYS at 10:30 a.m.

SAVE THE DATE: December 14th Santa Claus Day – with Christmas Brunch. Crafts, gifts for the kids, pictures with Santa, cookie decorating, and Bethlehem Photo Booth. There is no cost. Donations are welcome.
